REPORT NO: EXC18 – 211
CLIENT: Roundel Civil Products
ATTENTION: Mr B Byard
ORDER: TBA
DATE: 15 June 2018
SUBJECT: Life Assessment of Polycor HPL PE – Coated Z600 steel

1.0 INTRODUCTION

A request was made to assess the estimated life of Polycor HPL PE – Coated Z600 steel based on testing performed and its comparisons to a known material namely Trenchcoat PE – coated Z600 steel.

2.0 PROCEDURE

Based on the results obtained in Exceed Consulting Reports EXC17 – 127B and EXC18 – 074B the Polycor HPL PE – coated Z600 steel is expected to meet the 100 year minimum estimated service life stated in AS2041.1 table 3.7.2, assuming the site environmental conditions comply with the requirements stated in table 3.7.2 for the 100 year estimated life.

A handwritten signature in blue ink, appearing to read 'R J Dunning', is written over a light blue horizontal line.
